KEEPING YOU UPDATED ABOUT YOUR SUPER

MARCH 2021

## Assistance comes with a capital A for AMIST Super.

One of the really great benefits of being an AMIST Super member is the personal assistance that can be provided by our friendly team of Client Services Managers.

AMIST Super has a team of service professionals who are here to help you get the most from your super. You can ask them about a variety of aspects relating to your super, for example:

- ✓ Check your investment strategy and how it is performing
- ✓ Check your level of insurance cover
- ✓ Get information about rolling over funds from other super accounts
- ✓ Get assistance in registering for our online service—MemberAccess
- ✓ Nominate or update the nomination of a beneficiary
- ✓ Find out about how salary sacrifice can be used to make contributions to super
- ✓ Find out when you can access your super ...

... And much, much more.

Take Evangelos Manalis, for example. Evangelos is a long-term AMIST Super member who worked for many years as a safety and quality controller at Andrews Meats in Lidcombe NSW. These days he's retired, but he still keeps in regular contact with his AMIST Super Client Services Manager, Justine Young.

"Evangelos is now an AMIST Pension member," Justine says, "but that doesn't mean he's on his own. I'm always available to answer any questions he has about his super."

"One of the many things I assisted with was completing any necessary forms or other paperwork associated with his super. Some of these can be a bit complicated and I like to think I took the hassle out of it, so Evangelos could sit back and enjoy his retirement," Justine says.

You can take advantage of this kind of assistance too. Just select the Client Services Manager who looks after your area and give them a call. They're waiting to hear from you.
